- 2) Continuing with current covid safety measures as they seem to be working out well.
- 3) The two people proposed for trustee are interested in serving on the board. It was decided to have them join after the April election
- 4) Library will be closed on election day as mandated by the state. A motion to do so was made by Singer with a second by Yoder.

With John Mammoser gone from the board someone else on the board will need to take his place in regard to lawn and landscaping issues.
